Cling renown to cling and bound to cling
Allowed to cling
Clinging on for this and clinging on for that...
And cling unto
Cling to this I'll let you cling for that
you'll want no more nor need a thing my friend
Submit some more some need some more
And you will cling

Submit some more submission is flaw
And you will cling
Cling on for this cling on for that cling unto
And in time yes you will cling
Cling to this...I will let you...
Cling for that...
You want no more just me
My thing my friend
