Digging... For Human Bones  
Digging... On My Own

Dig, Hole In My Head  
Dig, Things Falling In  
Dig, I Never Hear No Splash

It's Like A Dead Fall With No End  
But I Keep Digging

Digging... Skulls And Bones  
Digging... Decompose

Crawling Over A Dead Fall Of Human Bones  
The Blood Is Black In The Light Of The Moon  
Crawling, Falling On Them Bones  
The Blood Is Black Down In This Hole

Digging... Get This Into Ya!!

Digging... In The Dead Of The Night  
Digging... The Pale Moon Light On My Own
