Motherfucker you're to blame  
You're the reason i'm this way  
You give me shit everyday  
And i turn the shit around & point it in your way,  
Oh yeah  
Be all you can be  
You're the biggest asshole i've ever seen  
And when you die they'll write on your grave  
Here lies and asshole shit-for brains  
Oh full metal jackoff, full metal jackoff, full metal  
jackoff  
You're a full metal jackoff, full metal jackoff, full metal  
jackoff,  
Oh yeah  
Those army clothes don't make you god  
See who you are through you're camouflage  
America you would give you're soul  
I'd offer mine to the rock n' roll  
You're a full metal jackoff, full metal jackoff, full metal  
jackoff  
You're a full metal jackoff, full metal jackoff, full metal  
jackoff,  
Oh yeah
