"Galactic Chicken Shit"

Visit "[Galactic Chicken Shit](#)" on MotoLyrics.com

Paranormal chicken geek
Hailing from the planet 13
Genderbending galactic freak
Sci-fi lobotomy
Greasy chicken, circumcision
Pluck the feathers out of me
Super (?????????)
Lip-stick leader (???????) enemy

Galactic chicken shit

Transvestites and colonies
Infect the other human beings
Cross-dressing, maggot-infested
Dry that snot up on your sleeve
Radiation, masturbation
Candy at the chicken fair
Super-sonic, chronic vomit
Barb-wire cock ring
