Bring her to the castle,
She s putting up a hassle,
She ll be sacrificed at 12 midnight to night,
We ll give her to the monsters,
And witness all the horror,
Baby s gonna die right before our eyes
Hell, yeah,
And we d die for you,
And we d die for you,
And we d die
Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die
Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die
There's no need to cry,
Because you ve been chosen to die,
So scream all you want,
No one will get to you in time,
We ll do a little chant,
And a stupid little dance,
Then we will proceed,
To chop off your head
Hell, yeah,
And we d die for you,
And we d die for you,
And we d die
Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die
Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die
Hell, yeah,
And we d die for you,
And we d die for you,
And we d die
Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die

Give her to the monsters,
Baby s gonna die,
Baby s gonna die, die
