FUCK!

I got a fucking problem,

I just love to say fuck!

And I don't care who's around me,

I could really give a fuck.

And I don't care if you're my mother,

Or my motherfucking father.

I could really give a fuck now.

That ain't my motherfucking problem.

(Prechorus)

Oh, Yeah!

I love to say FUCK when I'm driving in my car,

And FUCK when I'm walking in the fucking park.

FUCK you! If you don't like what I say.

I love to say fuck every fucking day,

Oh yeah!

(Chorus)

I love to say fuck!

Yeah, I hope I don't offend you,

When I say the word "FUCK!"

I guess you had it coming to you,

You're such a worthless little fuck.

And I don't care if you're my mother,

Or my motherfucking father.

I could really give a fuck now.

That ain't my motherfucking problem.

Oh yeah!

(Prechorus)

I got a fucking problem,
