Mom and dad I'm not sorry  
For putting bullets in your bodies  
One day I hope you'll understand  
That I did it for the man... yeah  
Well he gave me a command  
He said "kill your mom and dad"  
He said "it's time to be a man"  
And fill 'em full of lead and now...

The Devil made me do it  
And I'll do it again

Mom and dad you're beautiful  
With bullet holes in your skulls  
And red looks good on you two  
Good bye, good ridance, I hate you  
It was a really simple plan  
Go in and kill mom and dad  
There's just one lesson to be learned  
You with me and  
You'll sleep with worms and now...

The Devil made me do it  
And I'll do it again

Mom and dad I'm not sorry  
For dismembering your bodies  
In fact it was a dream come true  
To have the honor to kill you  
I hope you're both doing fine  
With your God up in the sky  
Well me I'm doing well  
In the luxuries of hell and now...

The Devil made me do it  
And I'll do it again
