#### THE LAST DITCH REDEMPTION

Take all you're worth in pounds of flesh,  
Before you sink back down to hell,  
Every soul you can save,  
Could stop ice pumping through your veins.

Or the past might eat you up,  
I see demons every shape they come!

Last ditch redemption,  
Brave souls who can face the dark,  
Get one last ditch redemption.

Under bombardment block the gauntlet,  
I fear no consequence,  
Reaching down preventing innocence,  
Descending into self destruction.

Through broken stain glass of your soul,  
I see them, every shape they come!  
All those who forget the past are,  
Condemned to repeat it,  
Brave souls who can face the dark,  
Get one last ditch redemption.
