"Welcome To The Starnge"

the sky is pouring rain
this trip is getting strange
the sign upahead
says welcome to the strange

my mind it starts to speak
but it wont speak to me
how can you explain
some things are fucking strange...

Welcome to the strange

riders of the storm
riders of the storm
in to the house were born
into this world withdrawn
like a dog with out a bone
an actor all alone, riders on the storm
im a killer on the road
my brains is squirming like a toad
take a long holiday
let your children play
if you wanna take a ride
then wont you step inside...

Welcome to the strange
