I heard a story just the other day,
A story that I could not believe.
A story about your mother,
How she goes down on her knees.
And the guys downstairs say she can do it really well.
How does it feel, to know your mother sucks cocks in
hell?!

Oh how you cried,
The day that your mother died.
She didn't get into heaven.
She's gone to hell giving suckies at the 7/11.

I know her soul will never rest,
'Cause she's in hell doing what she does best..

Your mother sucks cocks in hell.
Your mother sucks cocks in hell.
It was a gift from God that she does do well
Your mother sucks cocks in hell.

Your mother sucks cocks,
Your mother sucks cocks in Hell.

WOAAAAHHHHH !!!!!!!!

I'm hearing things,
Things that I did not know.
How you mother could suck a basketball through a
Garden Hose (??)
And the guys downstairs say she can do it really well
How does it feel, to know your mother sucks cocks in
hell?!

I know her soul will never rest,
'Cause she's in hell doing what she does best..

Your mother sucks cocks in hell.
Your mother sucks cocks in hell.
It was a gift from God that she does do well
Your mother sucks cocks in hell.

Your mother sucks cocks,
Your mother sucks cocks in Hell.

WOAAAAHHHHH !!!!!!!

Your mother sucks cocks in hell.
Your mother sucks cocks in hell.
It was a gift from God that she does do well
Your mother sucks cocks in hell.

Your mother sucks cocks,
Your mother sucks cocks in Hell.
Your mother sucks cocks,
Your mother sucks cocks in Hell.

Your mother sucks cocks,
Your mother sucks cocks in Hell.(yeahhhh)

[she - she, she is a filthy tramp, she she, she sucks... (&
