I dont care what people say, im gonna say what i want

I dont care what people do, im gonna do what i want to

i dont care what the people think, so let them think what  
they wanna think

do, gonna do it to you  
im getting out  
im getting out  
i dont care if it aint right, im leaving this planet, up  
tonight  
im getting out  
im getting out  
i dont care what the people think, so let them think what  
they wanna think  
well i dont know  
i just know whats right  
i dont care what the people say, so let them say what  
they wanna say  
tonight im on my way  
im getting out  
im getting out
