You wanted to be a big rock star  
With lots of money and fancy cars  
So you could put a gun to your head  
Pull the trigger you're better off dead  
Cause you lie lie  
Your life's a big lie  
Then you try try  
You know you never tried  
And then you cry cry  
You say you wanna die  
Well i say die die  
And check yourself in at  
The motel killafornia  
Motel killafornia  
Motel killafornia  
Motel killafornia

You needed someone to hold your hand  
You needed someone to understand  
I only understand one thing  
You are nothing but a weak human being  
Because you lie lie  
Your life's a big lie  
Then you try try  
You know you never tried  
And then you cry cry  
You say you wanna die  
Well i say die die  
Check yourself in at
