What's your purpose on the planet?
You're too stupid to understand it
Now Cant you see? No one cares!
Take a skrewdriver and ram it in your head!

Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver

Your so perfect, know it all!
Thats the way that you're so fucking wrong
If words were weapons, now, you'd be dead!
But since their not im gonna ram this in you're head!

Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver

Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
Stick it in your head now!
Skrewdriver, skrewdriver, Skrewdriver
