I know baby it's hard to be strong
Just take the good with the bad
And don't think you're alone

Cause I know all your sad goodbyes
Cause I've been there before
To help you dry your eyes

(chorus)
Sweetheart
Who love you from the start?
Who treats you like a star?
Oh sweetheart

Who loves you baby?
Who loves you wrong or right?

Cause you're the spark in my life
Yeah day and night

And when trouble a-keeps knockin
Down your door
Just call on me babe
And it wont be round no more

(chorus)

(instrumental)

Oh I know, yes I know
No matter how long
I'll be by your side
Singing this song

(chorus)
