Ya know, not too long ago  
You used to close your eyes  
And say real low, uh-huh  
Baby I'm satisfied  
Oh, I remember like it was yesterday  
So stop pretendin, ooh baby, didn't ya hear me say

### CHORUS

Not another lonely night, no more lonely days  
Cause I don't want to be without you  
No, not another lonely night, cause it aint feelin right  
And it just aint the same for me  
Without you

Ya know, not too long ago  
You used to hold me tight  
So then, let me know, before you go  
Ooh baby, what's on your mind

Oh, oh I remember like it was yesterday  
So stop pretendin, ooh baby, didn't ya hear me say

Baby, without you

Just tell me now that you remember  
All those nights you loved me tender  
There's nothin I wont do without you

Not another lonely night, no more lonely days  
It aint the same without you  
Not another lonely night, cause it aint feelin right  
It aint the same without you

Not another lonely night, no more lonely days  
It aint the same without you Not another lonely night,  
Cause it aint feelin right I don't wanna be
