A boy without a girl
Is a song without a tune
Is a year without a June
My love
A boy without a girl
Is a day without a night
Is a star without a light
My love
And since you've come to me
All the world has come to shine
Cause I've found girl
Who's really mine
And if you stay with me
All your life you'll never be
A girl without a boy
My love
My love, my love
And since you've come to me
All the world has come to shine
Cause I've found girl
Who's really mine

And if you stay with me

All your life you'll never be

A girl without a boy

My love

My love, my love

My love, my love
