I love you, I need you  
I understand  
I love you, I need you  
I understand

Don't throw away  
All those teardrops  
Don't throw away  
Loves sweet dreams

I know the feeling  
Of a broken romance  
I know the yearning  
To beg for a chance

So, don't throw away  
All those teardrops  
Catch them and put them aside  
For though it still hurts you  
In just a little while  
I promise, you'll trade  
Your teardrops for smiles

Don't throw away  
All those teardrops  
Catch them and put them aside  
For though it still hurts you  
In just a little while  
I promise, you'll  
Trade your teardrops  
You'll trade your  
Teardrops for smiles

I love you, I need you  
I understand  
I love you, I need you  
I understand  
My love
