Well Now

Relax don't do it, when you want to go to it
Relax don't do it, when you want to come
Relax don't do it, when you want to suck to it
Relax don't do it, when you want to come, when you
want to come
Relax don't do it, when you want to go to it
Relax don't do it, when you want to come
Relax don't do it, when you want to suck to it
Relax don't do it, when you want to come, come

But shoot it in the right direction
Make making it your intention
Live those dreams
Scheme those schemes
Got to hit me (Hit me), hit me (Hit me), hit me with
those laser beams

I'm coming, I'm coming

Relax don't do it, when you want to suck to it (If you
want to suck me)
Relax don't do it, when you want to come
Relax don't do it, when you want to suck to it
Relax don't do it, love, when you want to come
When you want to come, when you want to come, come

I'm down with the scene of love
Oh feel it
Relax, relax, relax (Higher, higher), relax

Pray (Come)
