Keep your eyes on the road,
Keep your hands upon the wheel.

Keep your eyes on the road,
and your hands upon the wheel.

We're going to the roadhouse,
and gonna have a real, a good-time.

At the back of the roadhouse,
They've got some bungalows.

At the back of the roadhouse,
They've got some bungalows

And that where the people
like to go down slow

Let it roll, baby, roll.
Let it roll, baby, roll.
Let it roll, baby, roll.
Let it roll, all night long.

You gotta roll, roll, roll,
You gotta thrill my soul, alright.
You gotta roll, roll, roll,
You gotta thrill my soul, alright now.

Russian lady
Russian lady

Give up your vows
Give up your vows

Save our city
Save our city

Right now.

Let it roll, baby, roll.
Let it roll, baby, roll.

Let it roll, baby, roll.
Let it roll. all night long
