Way down south in Birmingham  
I mean south in Alabam  
There's an old place where people  
Go to dance the night away

They all drive or walk for miles  
To get blues, that southern style  
Slow blues that makes you want  
To dance away the day

It's a junction  
Where the town folks meet  
At each function  
In their best, they greet you

(CHORUS)  
Come on down  
Forget your cares  
Come on down  
You'll find me there  
So long town  
I'm heading for  
Tuxedo Junction now

(CHORUS) 2X

I'm heading for  
Tuxedo Junction now

Come on down  
Come on down  
Come on down  
Come on down
