Let's go -
When two tribes go to war
A point is all that you can score

Score no more
Score no more.
When two tribes go to war
A point is all that you can score

@
Working for the black gas.
Cowboy no. 1 :
A born again poor man's son
Poor man's son
On the air American.
I modelled shirts by Van Heusen
Working for the black gas.
When two tribes go to war
A point is all that you can score

...
Switch of your shield

Switch off and feel.
I'm working on loving
Yeah
Give me back
The good times

Ship it out
Out.
Working for the black gas

Tell the world
That you're winning

Love and life

Love and life.

Listen to the voice sing: Follow me.
Listen to the voice sing: Follow me.
When two tribes go to war

A point is all that you can score.
When two tribes go to war
A point is all that you can score.
We got two tribes
We got the spunk.
We got the spunk
Sock it to me biscuits.

Are we living in a land where sex and horror are the
new gods?
When two tribes go to war
A point is all that you can score.
