Watching the wildlife on my way home  
The state of Rome  
People gliding on the floor  
Pleased with life not needing more.  
Sunset on the river  
People go home in the rain  
Familiar faces on the train  
Running scared and staying sane.  
If you live by the sword  
Well  
That's your own reward  
So don't walk with me  
Watching the wildlife.  
The beast within you eats your heart out  
Get free from hate and get in love.  
Boys in the backyard  
The girls are hanging out the lines  
Washing day  
Wosh your troubles away  
It's a game we hove to play.  
Ghosts are chasing your round  
Things that happen in the past  
Don't make that mistake again  
The svn beats down the streets of passion.  
If you live by the sword  
Well  
That's your own reward  
...  
Your own worst enemy  
Get free from hate and get in love.  
Watching the wildlife  
We all live in a dreamin' home  
You watch TV and drive a car  
We go outside  
But not too far.  
Watching the wildlife  
We walk the water like a sun.  
Living cvts yau like a knife  
Living here watching the wildlife.  
Living here watching the wildlife.
