Life goes on day after day, after day, after day
Hearts torn in every way
So ferry 'cross the Mersey 'cause this land's the place I
love and here I'll stay, and here I'll stay
People they rush everywhere
Each with their own secret care
So ferry 'cross the Mersey 'cause this land's the place I
love and here I'll stay, and here I'll stay
People around every corner, they seem to smile and
say (And tell you)
We don't care what your name is boy, we'll never send
you away (Send you away)
(Send you away, send you away, send you away)
So I'll continue to say, "Here's I always must stay"
So ferry 'cross the Mersey 'cause this land's the place I
love
Ferry 'cross the Mersey 'cause this land's the place I
love and here I'll stay, and here I'll stay, stay
Here I'll stay, here I'll stay, here I'll stay
(Ferry 'cross the Mersey 'cause this land's the place I
love and here I'll stay
Ferry 'cross the Mersey 'cause this land's the place I
love)
