Maha-hiya

Give it to me one time now

Well-ell No-oh Well-ell

Relax don't do it

When you want to go do it

Relax don't do it

When you want to come

Relax don't do it

When you want to sock it to it

Relax don't do it

When you want to come

When you want to come

Relax don't do it

When you want to go to it

Relax don't do it

When you want to come

Relax don't do it

When you want to sock it to it

Relax don't do it

When you want to come

Come

Whoa-oh-oh

But shoot it in the right direction

(yeah yeah yeah yeah-ee-yeah)

Make making it your intention

(ooh yeah oo-yeah)

Live those dreams

Scheme those schemes

Got to hit me (hit me)

Hit me (hit me)

Hit me with those laser beams

Laser beam

(One two, three...)

Relax

Don't do it

Relax

When you want to come (Come)

Aa-aa-aa-aa-aa-aa-aa-aa
I'm coming
I'm coming (yeah-yeah-yeah-yeah-ea)

Relax (don't do it)
(When you want to sock it to it) What's inside me? (?)
(Relax don't do it)
(When you want to come)
(Relax don't do it) Way-ay
(When you want to sock it to it) Way-hay
(Relax don't do it) Love!
When you want to come
When you want to come
When you want to come
Come

Hoo-ah!

Get it up
The scene of love
Oh feel it

Relax don't do it
When you want to go do it
Relax don't do it

Relax don't do it
When you want to sock it to it
Relax don't do it

One time (one time one time)

Hey
Come!
