What's dime like you holdin' up the wall for  
You should be dancin'...uh yeah [2x]  
All the guys in the spot  
Better yet...nobody's had the nerve  
To talk to you  
So let me talk to you

You lookin' good from your head  
Down to your shoes girl  
What's your name and who you with  
And do you got a man  
I can't believe that you came in by yourself girl  
But if it's up to me I'd guarantee  
That you won't leave here alone

Oh oh oh  
Yo body's like whoa  
Oh oh oh  
I'm trying to get you on the floor  
Oh oh oh  
You already know what it is  
So girl stop acting and get to dancing  
Oh oh oh

Now quit playing  
Come on get in da groove  
Back it up...get low  
Let ya body move girl  
The DJ's playing my song  
I've been waiting all night long  
And I'm glad to be dancin' with you

You looking good from yo head down to yo shoes girl  
Cuz the way that you're grinding  
Has got me in a trance girl  
I can't believe that you came in by yourself girl  
If it was up to me I'd guarantee  
That you won't leave here alone  
Yeah

Oh oh oh

Yo body's like whoa  
Oh oh oh  
I'm trying to get you on the floor  
Oh oh oh  
You already know what it is  
So girl stop acting and get to dancing  
Oh oh oh

Girl I know that you want to...so let's stop wasting time  
And let's dance all night  
Cuz I know what you want and I got what you need  
So girl come with me  
I wanna make it good for you

Oh oh oh  
Yo body's like whoa  
Oh oh oh  
I'm trying to get you on the floor  
Oh oh oh  
You already know what it is  
So girl stop acting and get to dancing  
Oh oh oh
