ohhh ohhh ohhhh
ohhh ohhhh ohhhh
I cant believe you had the nerve to say the things you
said
they hurt so bad that they ended our relationship
i cant beleive it four years gone down the drain
how i wish things would have happened so diffrently
i try to say this many times but still you couldnt see
you kept insisting and resisting that you would not
forget

And now your tring to tell my that your sorry
and your tring to come back home
your tellin me you really need me crying beging oh
knees are on the floor

CHOURS

Baby i... dont wanna try dont wanna try dont wanna try
no more
you keep insisting when you know our love is out the
door
dont wanna try dont wanna try cause all we do is fight
and say the things that hurt so bad to where we both
begin to cry
dont wanna try dont wanna try i bout just had enough
its been a rough road baby just let it go
dont wanna try dont wanna try dont wanna try no more
tell me whats the use in holding on when all we do is
hurt our love?

you and i had many conversations on the telephone
talks about one day we having a place of our own
wake up in the morning and have breakfast ready on
the table
but all of that just seems so far away from me
had to wake up face reality
it all just seemed too good to be true
after all u put me through
and now your trying to tell me that your sorry
and your trying to come back home
your tellin me you really need me crying

beginning oh knees are on the floor...

CHORUS

dont wanna try dont wanna try

dont wanna try no more

dont wanna dont wanna try

OHHH

dont wanna try dont wanna try

dont wanna try no more

dont wanna try dont wanna try dont wanna try no more

oHhh!!
