Diamond mine to the factory everybody's doing what
you've got
To keep on doing for society.
Make this a world a good place to be

let livin' be and don't work for free.
Playing isn't paying
so work is what I'm saying -
Working for the world go round.
The battle cry don't mess with me

I've travelled this world for eternity.

Warriors of the wasteland -
Sailboats of ice on desert sands -
Warriors of the wasteland.

It seems to me that the powers
that be keep themselves in splendour and security.
Armoured cars for mega stars
no street

no bars

your wealth is ours.
They make the masses kiss their asses

Lower class iackass pay me tax
take out the trash -
Working for the world go round.
Your job is gold
do as you're told

they pay you less then run for congress.

Warriors of the wasteland -
Sailboats of ice on desert sands -
Warriors what the wasteland -
I'm working for the world go round
go round.

Diamond mine to the factory

make this a world a good place to be.

Warriors

what a waste man

warriors!

warriors!
