We Still Together  
Yea Listen

[Verse 1:]

Lately I Know We Be Struggling  
But Through It All We Still Make Good Lovin  
We Still Together Babe  
You Know Thats Real Babe  
Even Though You Say That We Wont Last  
Deep Down You Know Theres Still A Chance  
We Can Make It Through The Pain  
We Can Make It Go Away  
You Can Think Or Say Whatever You Want  
But Theres Something You Should Know My Love  
And I've Gotta Tell You Babe  
You Can Say That..

[Chorus:]

We Still...  
Always Argue All The Time  
Never Make Love When Its Right  
We Still...  
Never Say We Love Each Other  
Always Up In One Another  
We Still...  
Fight For Every Little Thing  
Never Ever Stop To Think That We Still...  
Always Loved Each Other

[Verse 2:]

You've Always Been The Type To Be Solo  
Never Tries To Work Things Out No More  
What Happened To Them Days  
Get It Together Babe  
Through The Rain Theres Always That Sunshine

Wheres Theres Everything That Comes By  
At The End Its All The Same  
Im Loving You Your Loving Me  
You Can Think Or Say Whatever You Want  
But Theres Something You Should Know My Love  
And I've Gotta Tell You Babe  
You Can Say That..

[Chorus:]

We Still...  
Always Argue All The Time  
Never Make Love When Its Right  
We Still...  
Never Say We Love Each Other  
Always Up In One Another  
We Still...  
Fight For Every Little Thing  
Never Ever Stop To Think That We Still...  
Always Loved Each Other

[Gemini:]

You Know I Stay In These Streets  
If I Dont Dont Eat  
Still Come Home Late  
Still Hardly Speak  
Still Walk You Over Nothin  
Still Make The Assumptions  
How Im Crushing Her And Her Sister And Her Cousin  
And How Im Doin This And Not Enough Of That  
And You Goin Leave Me If Things Dont Go Back  
To The Ways Things Were A Few Years Before  
When We Made More Love Than War  
But From The Jump From The Start  
You Knew What I Was Bout  
Always You To See You In The Hood  
Always Checking Me Out  
You Was Lookin For Somethin  
I Was Lookin For Nothin  
Use To Pass You By In The H2 Bumpin  
Than Its Like We Jus Grew Together  
And At Times It Seems We Dont Want Each Other  
But We Still  
Knows Whats The Best  
After A Night Of Fighting  
A Morning Of Makeup Sex

[Chorus:]

We Still...  
Always Argue All The Time  
Never Make Love When Its Right  
We Still...

Never Say We Love Each Other  
Always Up In One Another  
We Still...  
Fight For Every Little Thing  
Never Ever Stop To Think That We Still...  
Always Loved Each Other

[Frankie J:]  
Ladies Clap Your Hands If You Feel Me  
(Clap Your Hands If You Feel Me)  
If You Know What Im Talkin Bout  
(Know What Im Talkin Bout)  
Fellas Clap Your Hands If You Feel Me  
(Clap Your Hands If You Feel Me)  
If You Know What Im Talkin Bout  
(Know What Im Talkin Bout)
