[Verse 1:]

He drops his suitcase by the door  
She knows her daddy won't be back anymore  
She drags her feet across the floor  
Tryna hold back time to keep him holding on  
She says

[Pre Chorus:]

Daddy Daddy don't leave  
I'll do anything to keep you  
Right here with me  
Can't you see how much I need you

Daddy Daddy don't leave  
Mommy's sayin things she don't mean  
She don't know what she's talking about  
Somebody hear me out

[Chorus:]

Father listen  
Tell him that he's got a home and he don't have to go  
Father save him  
I would do anything in return  
I'll clean my room  
Try hard at school  
I'll be good  
I promise you  
Father, Father  
I pray to you

[Verse 2:]

Ya tiene dias sin dormir  
No quiere cerrar sus ojos  
Porque cree que se va ir y dice

[Pre Chorus:]

No me dejes asi quedate con migo  
Papi quedate aqui no sera igual  
Mi vida sin ti

No me dejes asi no le agas caso  
Lo que dice mami ya no puede respirar

Ya no puede sentir

[Chorus:]

Father listen  
Tell him that he's got a home and he  
Don't have to go (don't have to go)  
Father save him  
I would do anything in return  
I'll clean my room  
Try hard at school  
I'll be good  
I promise you  
Father, Father  
I pray to you

[Hook:]

Please don't let him go  
I'm begging you so  
Let him open his eyes  
Need a little more time  
To tell him that I love him more  
Than any thing in the world  
It's Daddy's little girl

[Chorus:]

Father (father) listen (listen)  
Tell him that he's got a home and he don't have to go  
(don't have to go)  
Father (father) save him  
I would do anything in return  
I'll clean my room  
Try hard at school  
I'll be good  
I promise you  
Father, Father

She was Daddy's Little Girl  
Mmmmm Oh
