(I gotta figure out a way to tell you) | (I'm goin' crazy
without you) | (I just gotta let you know) | (Listen) |

| Best of friends for years closer than you can imagine
|

| Talk to each other daily I don't know just when it
happened? |

| If only I could tell you how I feel inside |

| (Oh girl you got me) | Losin' sleep, I'm thinkin' |

| Can't imagine how it feels to see you ridin' around
with the wrong guy |

| Tell me how do I take his place? |

| You already know that I'm capable |

| Can't you see who's been there all along? |

| And I know I can't be wrong, oh tell me |

[Chorus:]

| Why...did I have to fall in love with you? | ¿CÓMO
me haces falta tío? |

| When I know without you I can't function no more |

| And you..., you'll never look at me the same | You
know it's really drivin' me insane |

| When I know without you I can't function | ¿CÓMO
me haces falta tío? |

| Hardest thing about this confession is I just might ruin
what we have I don't wanna lose what we got |

| But it's a chance I'll have to take, ho... | Don't wanna
spend my whole life wonderin' what it feels like |

| Bein' there beside you and kissin' on you all night |
See I been makin' a mistake ho, no-oh... |

| You already know that I'm capable |

| Can't you see who's been there all along? |

| And I know I can't be wrong, so tell me |

[Chorus:]

| Why...did I have to fall in love with you? | ¿CÓMO
me haces falta tío? |

| When I know without you I can't function no more |

| And you..., you'll never look at me the same | You

know it's really drivin' me insane |
| When I know without you I can't function no more |

| Ain't easy lovin' you when you're lovin' him |
| There's no words that can't describe | (Words that
can't describe) |
| How it leaves me empty inside | (How it leaves me so
empty inside) |
| When all I want is you... | (Why...did I have to fall in
love with you?) |
| Oh whoa, whoa yeah... | (Why...did I have to fall in
love with you?) |
| You'll never look at me the same |

[Chorus:]

| Why...did I have to fall in love with you? | (¿Cómo
me haces falta?) | (It's drivin' me insane...) |
| When I know without you I can't function no more |
(Without you I can't function no more) |
| And you..., you'll never look at me the same | (How I
need you right now) |
| You know it's really drivin' me insane | (Drivin' myself
insane) |
| When I know without you I can't function | (I'm drivin'
myself insane) | No more |

| (Ooh) | I need you | (¿Cómo me haces falta?) |
| I want you | Can't you see this is killin' me...? | (I'm
drivin' myself insane) |
| (Ooh) | (¿Cómo me haces falta?) | Ho... | (I'm
drivin' myself insane) |
| (Ooh) | (¿Cómo me haces falta?) |
| (I'm drivin' myself insane) | (¿Cómo me haces falta?
) |
