Girl why you look so sad
Why you sittin their crying all alone
Tell me is it worth it
And girl dude ain't got no shame
He most be insane to hurt you
You know
What I would do

If u would
I could be your number one
Left you higher than the sun
Might sound crazy
But crazies thing have happen
Tell you what
I could be your place to run
Do what that folks never done
Show you love,my heart, my soul
I promise baby

If he can't be what you need
Than girl you better roll with me
Can nobody do it like me
So girl come with me

He can't be what you need
