Naahhhh naaaahhhhhh oooooooooo oooooooooo

Sometimes a man has to choose to
Do something he doesn't want to do
Do I live my life with you as my wife?
Or do I go on and pursue my lifetime dream
I gotta do this for me
'cause if I don't I'll probably regret it
But if I do I'll probably regret it

How do I cope (how do you cope) when
The one you love is
With somebody else
And there's nothing you can do about it
How do you deal with
The fact that you had a chance
But you chose to turn away for your career
I gotta take it
Though it's heartbreakin
It's something that I had to do
But nobody said that it would hurt so bad
So how do I live
How do I deal without you?

It's killing me to know that your heart's with me
But your with him 'cause I choose to be
In this industry
Money, shows, those come along with luxuries
And pain, is all you see when you think about it
This is the life that I was given
So I have to live it to the fullest
How do I deal in the meantime without you?

How do you cope when
The one you love is
With somebody else
And there's nothing you can do about it
How do you deal with
The fact that you had a chance
But you chose to turn away for your career
I gotta take it
Though it's heartbreakin
It's something that I had to do

But nobody said that it would hurt so bad
So how do I live
How do I deal without you?

How do you deal when you can't be with the one you
love
And the one that you love is with somebody else (i don't
know, i don't know)woooo
And what do you do when you know she don't love him
and she loves me but she just can't stand loving you
far away
Guess im gonna have to..you just deal with it (deal with
it)
I don't wanna have to live with it..you just deal with it
(deal with it)
Oh no no, you just deal with it (deal with it)
I don't want nobody else lovin you...you just deal with it
(deal with it)
I don't want nobody else lovin me

How do you cope when
The one you love is
With somebody else
And there's nothing you can do about it
How do you deal with
The fact that you had a chance
But you chose to turn away for your career
I gotta take it
Though it's heartbreakin
Its something that i had to do
But nobody said that it would hurt so bad
So how do i live
How do i deal without you

How do you cope when
The one you love is
With somebody else
And there's nothing you can do about it
How do you deal with
The fact that you had a chance
But you chose to turn away for your career
