Don't remember were we met  
All I do know is that I said hi  
She looked me up and down  
She said let's go

So we went to a spot  
Off the back, blazin' hot  
Clothes come off, it was on  
Head board broke, mind was blown, good Lord

After the session  
She checked the messages on her cell  
All of a sudden her face just froze  
And her eyes got big as hell

The message said  
'Hey, baby, surprise, surprise  
Girl, I'm free, I'll be home around 3'  
And it was already 3:15, she said

(Hurry up)  
Grab your shoes  
(Hurry up)  
Grab your clothes

(Hurry up)  
'Cause my man's  
(Hurry up)  
Comin' be home  
(She said)

(Hurry up)  
Hit the street  
(Hurry up)  
Disappear

(Hurry up)  
You gotta get  
(Hurry up)  
Out of here

Baby, he's crazy

Believe me, he'll kill you  
Leave your number, I'll call you  
Whatever what you just need to hurry up

She said he stood about 7 foot 9  
Killed some cat for lookin' at her  
And got 25 to life

?But somehow he's out today  
And this fool he's on his way  
He'll snap your neck and not think twice  
Get your things and goodnight?

Now I ain't trippin'  
'Cause if there ain't no man I like, I feel  
So I am draggin' around ever so slowly  
Puttin' on my gear

I grab my jeans off the floor  
Suddenly keys in the door  
She changed the locks, that bought me time  
But still this dude is right outside, she said

(Hurry up)  
Grab your shoes  
(Hurry up)  
Grab your clothes

(Hurry up)  
'Cause my man's  
(Hurry up)  
Comin' be home  
(She said)

(Hurry up)  
Hit the street  
(Hurry up)  
Disappear

(Hurry up)  
You gotta get  
(Hurry up)  
Out of here

Baby, he's crazy  
Believe me, he'll kill you  
Leave your number, I'll call you  
Whatever what you just need to hurry up

She said get under the bed  
Like that's a good place to hide

He kicked in the door, no hello  
He just goes, ?Who's car is that outside??

I looked at him, he looked at me  
I still had one leg out my jeans  
?Where do I go??., runnin' through my head  
Guess I should've listened when she said

(Hurry up)  
Grab your shoes  
(Hurry up)  
Grab your clothes

(Hurry up)  
'Cause my man's  
(Hurry up)  
Comin' be home  
(She said)

(Hurry up)  
Hit the street  
(Hurry up)  
Disappear

(Hurry up)  
You gotta get  
(Hurry up)  
Out of here

Baby, he's crazy  
Believe me, he'll kill you  
Leave your number, I'll call you  
Whatever what you just need to  
Just leave

(Hurry up)  
Grab your shoes  
(Hurry up)  
Grab your clothes

(Hurry up)  
'Cause my man's  
(Hurry up)  
Comin' be home

(Hurry up)  
Hit the street  
(Hurry up)  
Disappear

(Hurry up)

You gotta get  
(Hurry up)  
Out of here

Baby, he's crazy  
Believe me, he'll kill you  
Leave your number, I'll call you  
Whatever what you just need to hurry up  
Hurry up, hurry up, hurry up
