So glad I found you  
So glad I found you girl  
So glad I found you  
If you were my...

Everytime I see you, in the mall, doing your thing girl  
I be up in your business, like baby, can I please get  
your number?  
Let me pick you up, we can fall on the weekend  
I be out in my hummer  
Chicky-dit-ta with you  
If you were mine...  
Can I get a chance with you  
I just wanna dance with you  
And maybe just maybe we can go do what we do  
I'm feelin you girl  
Tell you what I would do

If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo  
If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo

Shorty,

Now I got the contact, Imma use it  
& I holla  
But all I seem to get is your voicemail  
Or a ring-ring-ring-ring  
It gets kinda crazy

Cuz everytime I see you  
You be up in my face like the wife of my dreams  
So what I do?  
Can I get a date with you?  
I wanna escape with you...  
& maybe, just maybe, we can go do what we do...  
Cuz I'm feeling you girl  
Lemme tell you what I would do...

If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo  
If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo

If you were my girlfriend there wont be no drama  
Cuz I'll never put you on that  
But it seems like them cats youve been choosing on  
lately  
Don't know how to treat you with glad

If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo  
If you were my girlfriend  
I'll lift you up  
I wont tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo

Baby  
(WoooooooOOooo)

Babyboo  
Babyboo  
Babyboo  
Babyboo  
Girlfriend  
Girlfriend  
Girlfriend  
(Repeat, fade out.)
