no nadie mas  
???  
como tu  
???  
en tus manos  
te quiero mucho

when it comes to the bottom,  
all that matters is my love for you (for you)  
only you (only you)  
to be 100 percent honest,  
between the fame and what we've got,  
i choose you (i choose you),  
only you

i dont care what people think,  
i dont care what people say  
im just gonna concentrate,  
on what we got, cant let em block  
cuz when im with you, i feel so free  
somethin what takes over me  
youre the only remedy,  
youre the cure for everything

only you, solo solo tu  
only one make my heart feel like this  
im a believer in your magic, baby now  
only you, solo solo tu  
i'll be addicted, and my habit  
i believe there must be magic  
in your hands, why  
cuz i never been sprung this much, no lie  
you got the magic touch  
there must be m-a-g-i-c  
in your hands  
en tus manos  
m-a-g-i-c in your hands

[Magic (Feat. Claude Kelly) Lyrics On ]

gettin down to the nitty gritty

i aint checkin for no one but you  
(checkin for no one but you, checkin for no one but you)  
and now i'll travel anywhere in the city  
just to get a glimpse of you  
(just to get a glimpse of you, just to get a glimpse of  
you)

i dont care what people think  
i dont care what people say  
im just gonna concentrate  
on what we got, cant let em block  
cuz when im with you, i feel so free  
somethin what takes over me  
youre the only remedy,  
youre the cure for everything
