What's dime like you holdin' up the wall for
You should be dancin'...uh yeah [2x]
All the guys in the spot
Better yet...nobody's had the nerve
To talk to you
So let me talk to you

You lookin' good from your head
Down to your shoes girl
What's your name and who you with
And do you got a man
I can't believe that you came in by yourself girl
But if it's up to me I'd guarantee
That you won't leave here alone

Oh oh oh
Yo body's like whoa
Oh oh oh
I'm trying to get you on the floor
Oh oh oh
You already know what it is
So girl stop acting and get to dancing
Oh oh oh

Now quit playing
Come on get in da groove
Back it up...get low
Let ya body move girl
The DJ's playing my song
I've been waiting all night long
And I'm glad to be dancin' with you

You looking good from yo head down to yo shoes girl
Cuz the way that you're grinding
Has got me in a trance girl
I can't believe that you came in by yourself girl
If it was up to me I'd guarantee
That you won't leave here alone
Yeah

Oh oh oh
Yo body's like whoa

Oh oh oh
I'm trying to get you on the floor
Oh oh oh
You already know what it is
So girl stop acting and get to dancing
Oh oh oh

Girl I know that you want to...so let's stop wasting time
And let's dance all night
Cuz I know what you want and I got what you need
So girl come with me
I wanna make it good for you

Oh oh oh
Yo body's like whoa
Oh oh oh
I'm trying to get you on the floor
Oh oh oh
You already know what it is
So girl stop acting and get to dancing
Oh oh oh
