(Why do I feel like this is haunting me. Why do I feel like I've wasted my time.)
(Is it over, is it really over)

Sitting in this room alone, these four walls surrounding me.
Even though we're not together, girl its still your face I see.
Trapped in a frame of the way things used to be.
All these memories, all these memories.
All the love that we had is gone, don't even know who's right or wrong.
So I guess I gotta let you go, I'm taking down all these pictures.

Pictures, pictures of you on my wall.
I'm taking down all these pictures.
Pictures, pictures of you on my wall. (Oh babe)
Baby you don't know how much I miss you girl.
Baby you don't know how much I miss you girl.

Okay here we go, boxes out, pictures in.
Okay I know it's hard but it's time to start over again.
I'm so tempted to call you, but I can't, no I won't, can't give in.
Cause in two weeks, we'll be right back here again.
All the love that we had is gone, don't even know who's right or wrong.
So I guess I gotta let you go, and take down all these pictures.

Pictures, pictures of you on my wall.
I'm taking down all these pictures.
Pictures, pictures of you on my wall. (Oh babe)

I can still see your face even though it is put away.
I hear your voice call my name.
Asking me if it's too late (Oh woah)
I miss you.

Talking:

Girl: Our anniversaries coming up, what do you want to

do this year?

Frankie: Mm.

Girl: Frankie! I need you to listen to me, I need you to be here for me, I need you to be involved.

Frankie: I didn't ask for this. Okay?

Frankie: I didn't ask for this.

No matter how hard I try I can't get you off my mind.
I swear that I'm going crazy without you in my life (Oh no)

Things aint the same and I don't know why it had to change.

Girl I don't know what to do, got to get over you.

Pictures, pictures of you on my wall.

Pictures, pictures of you on my wall.

Pictures, pictures of you on my wall.

Don't know what to do-o-o-o-o.

Pictures, pictures of you on my wall.

(Pictures of you on my wall)

Girl you don't know how much I miss you.

Baby you don't know, baby you don't know.

Baby you don't know how much I miss you girl.

Baby you don't know, baby you don't know.
