You know what?
This is gotta be one of my happiest times!
This is gotta be one of the best songs I've written in my
life!
Cause is for my little girl, SadÃ©, yeah!

Said you'll arrive on an April morning,
Doctor says that you'll be coming home!
I can't wait I'm so excited, girl,
To hold you in my arms!
The first impression is important,
I'm wear my suit and tie,
First informal is gotta make sure
Your daddy is looking â€¦!

Chorus:
Cause you'll be the one to change my life,
Like when daddy â€¦!
I'll be your number one fan,
Cause you know that I am,
I'll be right here when you need me!
SadÃ©, SadÃ©! If you can hear me now,
Your daddy is so deep down
I'll be right here where you need me!
SadÃ©, SadÃ©!
If you can see me now,
Your daddy is so deep down
I'll be right here where you need me!

The moment that I saw you open your eyes
Was the happiest day of my life,
Especially when I see you smile for the first time!
Now it's funny how they say
You look just like me, walk just like me,
Oh, baby!
It brings me joy but a tear to my eyes!

Chorus:
Cause you'll be the one to change my life,
Like when daddy â€¦!
I'll be your number one fan,

Cause you know that I am,
I'll be right here when you need me!
SadÃ©, SadÃ©! If you can hear me now,
Your daddy is so deep down
I'll be right here where you need me!
SadÃ©, SadÃ©!
If you can see me now,
Your daddy is so deep down
I'll be right here where you need me!
Uhuuu SadÃ©, SadÃ©!
Uhuuu SadÃ©, SadÃ©, you'll be brighter than a
summer day!
Uhuuu SadÃ©, SadÃ©! You'll be brighter!

Chorus:

SadÃ©, SadÃ©! If you can hear me now,
Your daddy is so deep down
I'll be right here where you need me!
SadÃ©, SadÃ©!
If you can see me now,
Your daddy is so deep down
I'll be right here where you need me!
SadÃ©, SadÃ©!
