Yeah yeah yeah
This is the story of my life (mmmmm)
This is what I go through (mmmmm)
On an everyday basis (yeah)
Just trying to live (mmmmm)
Listen (yeah)

Lay your head on my shoulder
Everything's gonna be alright
Baby don't you cry, yeah
Don't you worry about a thing
I see a rainbow at the end
Its gonna be alright (everything gon' be alright)

So many problems around me
Tell me don't they just go away
Every night I pray, yeah
Lord, wont you come my way
Wont you come and rescue me
Help me see the light (yeah)

What do you do when your water runs dry
When your greens and your blues turn to black and
white
Its the story of my life
When the fires get out
Can you turn 'em off?
How can you turn 'em off

Ive tried so hard to make it
Tried to do the best I could
Tried to do some good, yeah
Like the people that I could
Like my family if you would
Try to live a better life (I'm just tryin' to live)

Fake friends always around me
Trying to be up in my scoop
Acting like they cool, yeah
They don't know that I ain't blind
So stop trying to waste my time
And go on with your bull (yeah)

What do you do when your water runs dry
When your greens and your blues turn to black and
white
Its the story of my life
When the fires get out
Can you turn 'em off?
How can you turn 'em off

What do you do when your water runs dry
When your greens and your blues turn to black and
white
Its the story of my life
When the fires get out
Can you turn 'em off?
How can you turn 'em off

Noooo.. yeah
Noooo.. yeah
Noooo.. yeah
Noooo.. yeah

Cada vez que siento que el mundo se me esta
cerrando
Solo pienso en escaparme del mal
Y cada vez siento que el aire se me esta acabando
Solo pienso en volar
Hasta donde nadie me puede encontrar...

What do you do when your water runs dry
When your greens and your blues turn to black and
white
Its the story of my life
When the fires get out
Can you turn 'em off?
How can you turn 'em off
