**(feat. Mannie Fresh, Chamillionaire)**

*[Intro - Mannie Fresh (Chamillionaire):]*

Ladies and gentlemen (ah-ah-ah-ah-ah)  
The most beautiful girl in the world pageant (ah-ah-ah-ah-ah)  
Brought to you by (Yeah) (ah-ah-ah-ah-ah)  
Frankie J (Yeah) (ah-ah-ah-ah-ah)  
(Chamillionaire) and Mannie F-f-f-f-fresh  
(Hold up, let's go)

*[Chamillionaire:]*

My swagger's like a dagger  
I want it, I can have her  
I pop up and I grab her like abracadabra  
Body's picture perfect like she's shaking it for my  
camera  
She introduce Frankie while he moving forward and  
catch her

*[Frankie J:]*

Everybody knows when I step in the club (club)  
Girls see me and they wanna show me love (love)  
I got my chain on, with my shades on  
Rocking designer shoes and I sold a million  
So many girls, but there's one that caught my eye (eye)  
Pretty lady so fine she blew my mind  
Oh why  
'Cause she's the one for me

*[Chorus - Frankie J, Mannie Fresh:]*

I've been around the world  
And seen so many girls  
But none can compare  
'Cause I can't keep my eyes of that girl  
She got a bill and a face like a supermodel  
And a body built just like a Coke bottle  
But none can compare  
'Cause I can't keep my eyes of that girl  
Shake it [6X] Snap  
Shake it [5X] bring it back  
But none can compare

'Cause I can't keep my eyes of that girl

*[Frankie J:]*

I think she knows that I'm tryna get at her  
Imma go ahead and try to put in words  
What's your name, what's your number, can I hit you  
up?  
If you digging what I'm saying  
Let me know what's up  
So baby let me know if I can take you home (take you  
home)  
I just wanna be somewhere where we're alone, alone  
'Cause you're the one for me

*[Chorus - Frankie J, Mannie Fresh:]*

I've been around the world (around the world)  
And seen so many girls (so many girls)  
But none can compare

'Cause I can't keep my eyes of that girl  
She got a bill and a face like a supermodel  
And a body built just like a coke bottle  
But none can compare  
'Cause I can't keep my eyes of that girl (none can  
compare, she's that girl)  
Shake it *[6X]* Snap  
Shake it *[5X]* bring it back  
But none can compare  
'Cause I can't keep my eyes of that girl

*[Mannie Fresh says "Snap" in background]*

Welcome to Miami  
I've seen so many mammies  
over seas, the girls I've seen  
But none compare to you baby  
I've been around the world and back  
And never seen a girl like that  
Now it's clear to me that you're that girl for me

*[Chamillionaire:]*

And then she looks at me  
And then she says "if I ever had breakfast in bed"  
Then I say "I'd rather have breakfast in Brazil instead"  
Then she says "Stop playing, why you're messing with  
my head?"  
Then I say "I'm not playing, I got a jet and we can check  
it"

yes I had you tryna find an energizer battery  
Keep gone, she know she'll be sweating, loosing  
calories

You can be the best "B" I bet you couldn't handle me  
With money on the bed and I can prove it on my salary

*[Chorus - Frankie J, Mannie Fresh:]*

She got a bill and a face like a supermodel  
And a body built just like a coke bottle  
But none can compare  
'Cause I can't keep my eyes of that girl  
Shake it [6X] Snap  
Come on, come on, come on, come on baby  
Shake it [5X] bring it back  
Come on, come on, come on, come on you're so sexy  
But none can compare  
'Cause I can't keep my eyes of that girl  
Shake it [6X] Snap  
The way your body moves  
Shake it [5X] bring it back  
I love your sexy attitude  
But none can compare  
'Cause I can't keep my eyes of that girl
