Whoa whoa whoa  
Whoa whoa whoa  
Whoa whoa whoa

That's why your love don't play  
You got that top-notch love  
It makes me dance in the rain  
You make me believe that everybody has a soul mate  
And that's wassup

Only you can put it on me  
Trust me I'm not here to waste your time  
All I wanna do is make you mine  
You won't ever get lonely  
I will hold you strongly  
I will give it to you so divine  
All I wanna do is make you mine.

Chorus:  
I'm not really into the drama  
I jus wanna respect you wit honor  
Wanna be more than jus ya baby's father  
Cuz baby girl that's wassup  
That's why your love don't play  
You got that top-notch love  
It makes me dance in the rain  
You make me believe that everybody has a soul mate  
And that's wassup

Wanna be my soul mate  
Let your body rotate  
That's wassup  
That's wassup  
You make me believe that everybody has a soul mate  
And that's wassup

I can't see myself wit another chica  
Baby por que tu esta mi vida.  
Oh oh oh oh oh Oh oh oh oh oh oh  
Oh oh oh oh oh oh
