Prod. by Insomniac,

Everytime I see him,
talks about the way he treats you.
Babygirl, you need someone who needs ya.
You don't have to look no further,
what you lookin' for is right here!

See you're the kinda lady
I would love to give the world to,
you're the kinda lady,
I would love to give my all to.
He don't see you like I do,
so let me explain this to youuuu

U deserve more, baby u deserve more,
U deserve moreee
won't that be skipping, my love, my kissing,
I'm on a mission
U deserve more, baby u deserve more,
U deserve moreee
won't that be skipping, girl I'm committed
I just wanna give you all of my love,
I just wanna give, I just wanna give
I just wanna give, all of my love
I just wanna give, I just wanna give
I just wanna give you my love

He said you call me nothing.
Baby, did you nass give into something?
Come on, see us another sweet old good loving
You don't have to look no further,
what you lookin' for is right hereee

See you're the kinda lady
I can see me for the long term,
you're the kinda lady,
I would love to give my all to.
He'll never see you like I do,
baby, let me break it down to you (Oh)

U deserve more, baby u deserve more,
U deserve moreee,
won't that be skipping, my love, my kissing,
I'm on a mission
U deserve more (u deserve more, u deserve more),
baby u deserve more (u deserve more)
U deserve more
won't that be skipping, girl I'm committed

You and me mean the world to me and more,
he can never give you what u want
your presence shouldn't ever be ignored. (noooho
ohhohh)
Just like an angel spread your wings
and flyyy to my arms
cause u (all of my love) deserve more (more, more,
more)

I just wanna give you more, (all of my love)
I just wanna give you more,
I just wanna give you more, (all of my love)
I just wanna give you more,
I just wanna give you more,
I just wanna give you more,
I just wanna give you more

U deserve more, baby u deserve more,
U deserve moreee
won't that be skipping, my love, my kissing,
I'm on a mission
U deserve more, baby u deserve more,
U deserve moreee
won't that be skipping, girl I'm committed

All of my love
U deserve it baby,
U deserve (all of my love) it mama
U deserve it baby,
U deserve (all of my love) it mama
U deserve more baby, U deserve more,
u deserve more, u deserve moreeee

Oeh, what if I do that?

U deserve more, U deserve more,
U deserve moreee

Something like that

U deserve more,
U deserve more,

U deserve more,
U deserve moreee

You can probably keep some of that .
