Don't cry
Don't cry
Come on back in the house
And don't cry

Come on back in the house
And get out
From under that old
Cold sky

Don't weep
Don't weep
Come on back in the house
Little sheep

Come on back in the house
For a smile of welcome and go
To sleep

Yes I know
How you feel
It's the wild runaway feeling
You're hurt
When you had the wrong dream
And you wake with a start

Well, don't cry
Don't cry
Come on back in the house
And don't cry

Come on back in the house
And get out
From under that old
Cold sky

And don't cry...
And don't cry
