Hummingbird, hummingbird should be your name  
Too restless to settle too wild to tame  
Too restless to settle too wild to tame  
Hummingbird, hummingbird should be your name

Hummingbird, hummingbird winging along  
No tender young blossom can hold you for long  
No tender young blossom can hold you for long  
Hummingbird, hummingbird winging along

You'd hug me and kiss me like others I've known  
You'd promise to love me and call me your own  
Then all of my dreams would be shattered apart  
By the hum hum of your hummingbird heart

Hummingbird, hummingbird, feathered so fine  
If I clipped your wings it would not make you mind  
If I clipped your wings it would not make you mind  
Hummingbird, hummingbird, feathered so fine

Hummingbird, hummingbird, fly right on by  
Some folks like to gamble but darling not I  
Some folks like to gamble but darling not I  
Hummingbird, hummingbird, fly right on by

I'd rather be lonely, I'd rather be blue  
Yes, I'd rather spend my whole life without you  
Then feather a nest to be shattered apart  
By the hum hum of your hummingbird heart  
By the hum hum of your hummingbird heart
