We're making memories each time we kiss

Making wonderful memories when we are holding each
other like this

Green grass for a pillow, a black velvet sky above

Tender magic moments in a wonderland of love

The years may come and go but we'll recall

Sharing love in our hideaway and how this night was
the start of it all

Darling, I'll remember my whole life through

Making memories with you

(We're making memories each time we kiss)

(Making wonderful memories when we are holding
each other like this)

Green grass for a pillow, a black velvet sky above

Tender magic moments in a wonderland of love

And the years may come and go but we'll recall

Sharing love in our hideaway and how this night was
the start of it all

Darling, I'll remember my whole life through

Making memories with you

Making memories with you
