Walked with no one and talked with no one
And I had nothing but shadows
Then one morning you passed
And I brightened at last
Now I greet the day and complete the day
With the sun in my heart
All my worry blew away
When you taught me how to say

Grab your coat and get you rhat
Leave your worry on the doorstep
Just direct your feet
To the sunny side of the street

Can't you hear a pitter pat?
And that happy tune is your steop.
Life can be so sweet
On the sunny side of the street.

I jused to walk in the shade
With those blues on parade
But I'm not afraid
This Rover crossed over.

If I never have a cent
I'd be rich as Rockefeller
Gold dust at my feet
On the sunny side of the street.
Grab your street.
