Every morning at seven o'clock  
There were twenty tarriers a workin at the rock  
The boss comes along and he says keep still  
And come down heavy on the cast iron drill  
And drill ye tarriers drill  
Drill ye tarriers drill  
It's work all day for sugar in your tea  
Down behind the railway  
So drill ye tarriers drill

A tarriers nothin but a hard workin man  
Who gets in his livin while he can  
There wouldn't be a rail road acomin through  
If there weren't real men on the rock blastin crew  
Drill ye tarriers drill  
Drill ye tarriers drill  
It's work all day for sugar in your tea  
Down behind the railway drill ye tarriers drill

A tarriers gal has gotta be tough  
Cos tnt is the darndest stuff  
So take my advice girls learn not to cry  
When your rock blastin man's blowin a mile in the sky  
Drill ye tarriers drill  
Drill ye tarriers drill  
It's work all day for sugar in your tea  
Down behind the railway  
Drill ye tarriers drill

A tarriers life ain't long  
To live it full a mans gotta be strong  
The things he needs when his work is through  
Is his woman a beer and some muligan stew  
Drill ye tarriers drill  
Drill ye tarriers drill  
It's work all day for sugar in your tea  
Down behind the railway  
So drill ye tarriers drill  
Can he blast and fire  
Can he last and fire  
And drill ye tarriers drill
