I know that you wanted someone to play with
While I wanted someone to love
And you made me feel that your love was real
The love that I always dreamed of

And then you laughed when I cried for your kisses
To me they meant heaven above
Oh, oh, oh you wanted someone to play with
While I wanted someone to love

(Oh, you wanted someone to play)
(While I wanted someone to love)
And you made me feel that your love was real
The love that I always dreamed of

And then you laughed when I cried for your kisses
To me they meant heaven above
Oh, oh, oh you wanted someone to play with
While I wanted, while I wanted someone to love
