im so young and
your so old
this my darling
ive been told
but i dont care just what they say
cuz forever i will pray
you and i will be as free
as the birds up in the tree
oh please, stay by me
Diana
thrills i get when you hold me close
oh my darling your the most
i love you but do you love me
oh Diana cant you see
i love you with all my heart
and i hope we wil never part
oh please stay by me
Diana
oh my darling
oh my lover
tell me that there is no other cuz
i love you with my heart
oh oh
oh oh
oh oh oo oh oh oh oh oh oh
only you can take my heart
only you can tear it apart
when you hold me in your lo9vin every night
i can feel you giving all f your charm
hold me baby
hold me tight
squeeze me baby with all of your might
oh please
stay by me
Diana
oh please,Diana
