i dont have to be in your

for this lesson to really last

so just hold me tight with all your might hear me say

teacher teacher
theres so much im longing to know
cuz my heart has been honorable
from the moment we met
teavher make me make me make me
the teachers pet

teacher teacher
educate me with a coress
teach me nothing less
than a lesson
ill never forget
teacher make me make me make me
the teachers pet

i read mor in your loving eyes
than in any book from the shelf
i dont have to tell you
your alone
in a class by yourself
kiss me kiss me
after that please kiss me again
show me all that special attention
youll never regret
cuz i will do my home work
diligintly
till the whole thing leads to 103
teacher hold me kiss me
make me the teachers pet

i read more in your loving eye than any book from the
shelf
i dont have to tell you
your alone in the class by yourself

kiss me kiss me

after that please do it again
show me all that special attention
youll never regret
so i will do my homework diligintly
till the whole thing leads to 103
so just hold me kiss me
make me the teachers pet
show me that you love me
oh teacher make me your teachers pet
